

Mentoring participant questionnaire

Use this questionnaire to assist participants to understand their objectives and boundaries for their mentoring relationship.

Mentoring Questionnaire

Name

Role

Preferred mentoring type

This is an example of a questionnaire issued to potential participants in a mentoring program to help define their objectives and compatibility.

The set of topics can be tailored to suit the needs of each practice.

	Career ambitions	Office culture	Knowledge sharing + skill building	Networking collaboration	Flexible working	Work/life balance	Mental health
	An opportunity to discuss career ambitions with someone other than a direct line manager	Personal goals within the office and how these might be voiced and realised	Improving or showcasing expertise in particular fields	Opportunities to engage with others in the industry	Skills and/or goals you would like to obtain or strengthen	Discuss opportunities and voice any problems in relation to work/life balance	Tools and advice to deal with career pressures and/or stresses.
